**Information Systems Tecknowledgey**

developed by **newSyllabus.org**

# new Syllabus™

- The “New Syllabus” (NS) is :
  - the general practice, method, or discipline of knowledge of self research & development operations (devops);
  - the block-chain of records produced by one in pursuit of the above,
    - i.e., Antarah A. Crawley, Founder (2014), Director
  - *The web-based user portal for Mindsoft Tecknowledgey ([newsyllabus.org](http://newsyllabus.org)).*

# *Mindsoft*<sup>TM</sup>

- NS name brand human mind software:
  - the set of human bio/psycho/logical programs operating on central nervous system (**CNS**) processing unit, or “**sense** perception”
    - CNS supports the “reality” network GUI
    - mind hardware = CNS+skull+stem+spine
  - the drive of human **cognitive-behavioral** (cogb) performance (“mental health”)
    - cogb drives rational, emotional, and spiritual “intelligence”

# infoSystems™

- **Information Systems Intelligence Service (infoSystems):**
  - the core knowledge equity imperative initiative of NS
  - the research and development agency of NS
  - the file database and public register of NS
  - the block-chain file-serving protocol of NS

# Systems Theory

- A conceptualized theory of knowledge that guides the acquisition and development of particular knowledge
  - systems-thinking, systems-architecture
- A theory of general systems
  - Integral
  - Holistic
  - Grand Unified Field
- **“Clinical Dialectic Information Processing Systemtheory”**
  - **“General Operating System Theory” (GOST)**

# Applications

- **selfmetaprogramming**
  - Control Program/Monitor [yourself]
    - Self-improvement on previous best performance
  - Knowledge of Self Development & Operations
    - Acquisition of technical knowledge of self (tecknowledgey)
  - Information Processing Service
    - Acquisition & Development of Literacy Competencies
- **Human Resource Development**
  - Leadership & Organizational Management
  - Workforce & Professional Development
  - ADR & Conflict Resolution
- **Community Intelligence and Institution**
  - Collective Consciousness, Body Ecclesiastic & Politic
    - Parliament, Committee, Assembly, School, Seminar, etc.

# Contact
