This is a “decentralized” and “*autonomous*” organization, or “DAO”.

The DAO has made itself more evident since the Covid-19 Winter in the Summer of Civil Unrest.

In time, this organization shall develop the political identity necessary to exercise that power.

&lt;/Abstract&gt;

**C:\** Command.exe\DAO\Mission

&lt;Mission&gt;

To develop, operate, execute, and enforce the autonomous will of the People using an organization whose center is in every human consciousness, and whose circumference is unknown.

&lt;/Mission&gt;

C:\ Command.exe\DAO\Objective

&lt;Objective&gt;

To assemble an executive and representative body politic of the People through which the People may appeal directly to the local, community, regional, national, and international organizations on any and all matters of their concern, and to check the actions and decisions of that body by judiciary tribunal.

&lt;/Objective&gt;

C:\ Command.exe\DAO\Parable of the Sovereign\1

&lt;Parable of the Sovereign&gt;

Our body is like a great god, a sovereign, who hath been shut inside a coffin, and hath been made to sleep two thousand years. If and when we should wake and rise up on the horizon, we will need to put ourself back together; we will need to remember ourself – who was this great god – and what are we to do?

C:\ Command.exe\DAO\Parable of the Sovereign\1.1

&lt;Parable of the Sovereign&gt;

Our body is like a great god, a sovereign, who hath been shut inside a coffin, and hath been made to sleep two thousand years. If and when we should wake and rise up on the horizon, we will need to put ourself back together; we will need to remember ourself – who was this great god – and what are we to do?

*For unto us a Child is born, Unto us a son is given; And the government will be upon his shoulder. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace (Isa. 9:6). To Thine be the Kingdom and the Power and the Glory of the People, to the world without End, Amen.*

The “black man” has fewer rights than the “American” as recognized in the eyes of the state.
